2 The Honours scholarships are now given to students that pass their Intermediate Examination in the first class from the State Colleges, But it will be seen that No 1/4 V Narahari Rao passed the recent B A Degree Examination (Pass Course) with great distinction and is strongly recommended by the Principal of the Central College The Principals of Central and Maharaja's Colleges are of opinion that students who ~~decidedly~~ undergo B A Pass Course with distinction are decidedly better fitted for an Honours Course than the students who take a first class in the Intermediate I am in full accord with their opinion I request that Government may be pleased to sanction one of the scholarships to the student, as a special case, for two years with effect from 1st July 1913

3 For the remaining four scholarships I recommend the remaining four students mentioned in the accompanying list (Nos 7, 8, 15 and 13) in the order of merit and request that Government may be pleased to sanction a scholarship of Rs 25/- per mensem to each of them for three years with effect from 1st July 1913
